Case No. 3:16-CV-01901-JSC

**STIPULATION TO CONTINUE
CASE MANAGEMENT
CONFERENCE AND EXTEND
THE TIME FOR INITIAL
DISCLOSURES AND FILING
RULE 26(f) REPORT;
~~[PROPOSED]~~ ORDER THEREON**

REASONS FOR STIPULATION

1
2 1. The initial case management conference in the above captioned action (“the
3 Action”) currently is set for July 14, 2016.

4 2. Currently, the deadline for the parties to make their initial disclosures, file their
5 Rule 26(f) report and file their joint case management conference statement is July 7, 2016.

6 3. The parties have met and conferred regarding ADR and a discovery plan.

7 4. The parties have agreed to continue their discussions regarding settlement and
8 are filing a Notice of Need for ADR Phone Conference.

9 5. The parties believe that it would be most economical and efficient if they delay
10 discovery, including initial disclosures, until they have had the opportunity to participate in
11 the ADR process fully.

12 6. Therefore, the parties desire additional time, before the initial case
13 management conference, to arrange for, and participate in, appropriate ADR.

14 7. There have been no prior continuances, or requests for continuance, of the
15 initial case management conference or the deadlines for the parties filing their Rule 26(f)
16 report, making their initial disclosures or filing their joint case management conference
17 statement.

STIPULATION

18
19 1. The parties agree that the initial case management conference, currently set
20 for July 14, 2016 at 1:30 p.m., should be continued to September 22, 2016 at 1:30 p.m., or
21 such other date as the Court shall deem appropriate.

22 2. The date for the parties to file their joint case management conference
23 statement, make their initial disclosures and file their Rule 26(f) report should be continued
24 from July 7, 2016 to September 15, 2016, or such other date as the Court shall deem
